Re: **Levites v. Comm. of NYS Div. of Parole, et al.**
08 Civ. 0113 (JSR)(KNF)

Your Honor:

I am the Pro Se Petitioner in the above Habeas Corpus Petition. I have already received the Attorney General's Answer to my Petition. Due to unforeseen personal circumstances, I have been unable to prepare the Reply to the Attorney General's Answer. I am asking for an extension of time to July 4, 2008, so as to respond to the Attorney General's Answer.

Thank you.

Respectfully,

Roman Levites

Petitioner Roman Levites must send all writings to the Pro Se Office for this judicial district and not to the Courts Chambers. By an order, dated March 27, 2008, the petitioner was directed to serve and file any reply to the respondent's answer by July 21, 2008. Therefore, it is not necessary to grant the instant request, accordingly it is denied. The petitioner should comply with the March 27, 2008 order.
